Dear Parents,

This is an exciting opportunity for our students to be the hands and feet of Jesus to the homeless community in downtown Portland.

Nightstrike is a faith-based, compassion ministry that brings together volunteers of all backgrounds and ages. Every Friday night hundreds of volunteers saturate the enclosed area underneath Burnside bridge with one mission in mind: To make a difference. On November 7, Surge and Grace Chapel's young adult community will partner together and join these volunteers. If you would like to experience this outreach with your student, please let me know!

My prayer for this night is that our students are stretched in their faith and come away with a deeper appreciation for the plight of those less fortunate. I have reminded our students that this is a selective event as a "growth" opportunity for our regular attenders.

Spaces are limited (we are currently at waiting list status) due to the adult to student ratio. Please contact me personally if you are interested in joining this event.

Bridgetown Ministries - "Night Strike" Friday Night November 7

Then the King will say to those on his right, 'Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.'
